CLASS PROPHECY (CONT'D)

Roberta Hindall has just been hired by the Arlington Fibers, Inc. as a private secretary to the President of the firm. She is being paid as a starting salary $1000.00 a month.

We have just received word that Harold Marquart has just signed a contract to play fullback on the Professional Football Team owned by Jerry Jolliff. They say Harold has been paid $40,000 for one season; and if he proves himself, he may get more money next year. They have the great backfield coach, Donald LaRoche, and the great line coach, Gary Hickle. The public is expecting quite a team with this combination.

Kathleen Smith and Carol Riegle have just purchased the Kim-on-Inn Restaurant. They are serving as owner and worker. While one is away, the other does the work.

The devastating young singer, Eileen Feller, has just released another smash hit that is sweeping the country by storm. In regard to this she has been given a television program of her own. She will be on from 7:00 to 9:00 each night of the week. If she keeps on, she will be the most popular singer of the nation.

Martha Rausch, the manager of a branch office of the Plain View Farm Dairy, will be promoted to the regional manager in Findlay. It is because of her, that the business has grown to what it now is.

The famed David Gillespie, a member of the Philharmonic Orchestra, will strat a tour of the world. He will tour all the major cities, and he will pass through Arlington in about three weeks stopping to give a concert at that time. He will be accompanied by an up-and-coming young artist of the keyboard, Miss Phyllis Garwood.

We are happy to announce the wedding of Miss Barbara Hindall to a former graduate of this school. We are wishing them the best of everything.

We have received word that Carol Armentrout is engaged to the good-looking millionaire, "I. M. Loaded". For a wedding present he gave her a new Cadillac Convertible.

We have been notified that Miss Barbara Mercer has been promoted to Major in the W. A. F. 's. Miss Mercer enlisted after she had been out of school for only two weeks. She will be sent to Europe next month to take command of the forces over there.

Miss Mary Jane Riegle, who is the owner of the Fashionable Resorts and Hotels, has just bought another motel. She is planning to remodel it, and she is hoping to make more than she invested.

The Forence Nightingale of today, Miss Jeannine Hartman, has just invented a cure for the common cold. One of the chief ingredients is alfalfa meal. This should be a boom to alfalfa farmers.

The reporter of this current news, Lyle Hendricks, Jr., was given a promotion because of the fine work he did on finding out the occupations of the 1955 graduates of Arlington High School.

CLASS PROPHECY

New York Herald Tribune

Reporter-Lyle Hendricks, Jr.

Bill Alge, who was sworn into office of President of the United States, has promised his voters that if they voted for him he would lower the taxes and boost the pay of the poor workers. For thoses who do not have a job he will see that they get one. The poor workers said that if they do not get a job they will assassinate him. So Bill will have to be on his toes.

Robert Fink has just been appointed head of the Department of Agriculture by the President, Bill Alge. Mr. Fink will make his home in Arlington, Ohio, and will report back to Washington D. C. every couple of weeks. He is a strict believer in sanitation and he is in a position to do something about it. So beware all you unsanitary farmers!

Allen Woodruff, an up-and-coming young State Highway Patrolman, nabbed his sixth offender in two days last night. Among those cited to appear before Judge Lelan Pifer, is Donald Buess, notorious Mayor of Williamstown, Ohio, and his bride-to-be, Miss Ruth Waltermire. It seems that Miss Waltermire was in a hurry to get home to make sure that her goldfish had enough water.

The brighter side of the news finds a dinner party held at the home of Mr. and Mrs. Jerry Beagle. The dinner was held in honor of Admiral Harold Seek. Mrs. Seek, the former Marjorie Butler, looked stunning in an elaborate creation by the noted Parisian Gown Designer, Janice Hindall.

Richard Bowman, Esq., who joined a circus as the strong man, will appear in Arlington for a feature performance. In advertisements it is said that he can lift 800 pounds over his head as if it were nothing. (He lifts people's spirits, it seems, also.)

James Arrington, a great business executive and part-owner of a thriving business firm, has just hired the very fine bookkeeper, Miss Marie Marquart, to keep his accounts straight.

Carol Bishop and Nancy Smith, who have just graduated from a Nurses' College, will soon start to work in the Arlington Community Hospital. They hope to have a lot of PATIENCE.

Sally King, fascinating young starlet, was in New York last week to attend the opening of her new picture, "Edna", which, if it meets all expectations, will shatter all previous box office records.

Donald Smith, Owner-Manager of Custom-Craft, Inc., has finally broken the land speed record of 452.18 m.p.h., which was set by Bob Crosser in 1961. Don's fastest one-way speed was 458.98. His rod was built around a 1946 Ford Chassis. The company has turned out many fine customs since it had its beginning in 1958.

Robert Wells, owner of Transportation, Inc., has been awarded a Government Contract to haul uranium from Juneau, Alaska, to Tampa, Florida. Before receiving this contract, he hauled farm produce for Mr. James Smith. Mr. Smith owns "Snug Haven", an experimental farm, located near Arlington, Ohio.

BAND

Russell Willeke took over in August as the director of band. During the month we were invited to several socials, homecomings, and fairs in the surrounding area. In going, the band earned some money and also spent some.

September means the opening of school, the beginning of football games, band practice, marching, marching, and more marching. Many new members were added to the marching band, making it a fifty piece unit, with two flag bearers and four majorettes.

We are very proud of the trophy we received by doing a precision marching stunt in a parade at the Findlay College Homecoming Festivities. Three other county bands were also competing. The outstanding halftime show of the football season was "Fancy Stepping." In each formation we played the appropiate music and also did a dance routine. The seniors planned the Halloween Show.The last show of the season was titled "American Thanksgiving." It was performed on a very muddy football field.

The anual trek to Columbus was made by the members of the band who wished to see the Ohio State vs. Indiana football game. We were quite impressed and thrilled after watching the Ohio State Marching Band put on an excellent halftime show. The band sponsored a Community Christmas Dance this year. The first band concert of the season was held January 16.

Plans and preparations are being made for the County Music Festival which will be held at Arlington this year on February 6, 1955. The guest conductors will be (Band) Harold Clark, Music Director of Lima Schools and (Choruses) Earl Lehman, Instructor of Music at Bluffton College. We are also looking forward to the Music Contests to be held this spring. Soloists and ensembles are practicing for the first one which will be March 4th at McComb.

On August 19, 35 members answered the call of Mr. Castor.

We started the season at Findlay, in the preview against Ada, which came out a scoreless tie.

We then went to North Baltimore, where we were handed a 26-0 defeat from a strong team.

Next we played Cory-Rawson, but we were edged out by a 6-0 score.

We went to Liberty and rolled to an easy 53-0 win, with second stringers playing most of the second half.

Mt. Blanchard came here and we were able to squeeze out a 7-6 win on a pass from Smith to Crosser. Terry Redick made the extra point.

We went to Vanlue and played to a scoreless tie which was mostly a defensive game.

At McComb we were able to win a 6-2 victory, despite a very muddy field. Wayne Sink was our hero that night.

The Arcadia game was here and they upset us with a 6-0 score.

The last game of the season with Van Buren was also at home. Our offense clicked for the first time during the season and we downed them 47-13. One touchdown was scored by Smith, two by Crosser, four by Redick, and five conversions by Redick.

Although Cory-Rawson took the "Little Eight" championship trophy, we came in second. That's really not so bad.

The Seniors would like to thank Mr. Castor for his patience and wish the team of "55" GOOD LUCK.

DEDICATION

The Senior Class of 1955 takes pleasure in dedicating their annual to Mr. and Mrs. Harold Castor for the splendid services rendered to the pupils of the Arlington School. Many of the graduating class received their first lessons in education from Mrs. Castor while most of the boys played on Mr. Castor's football teams. We respect and esteem both of you.
